

2018

Enjoy Achieve Succeed

Fantastic Foxes

To coincide with Science Week FF have been learning about the importance of light. We looked through a dark hole in a box and recorded what we could see. We then used torches to see through the hole. The children were able to record their investigations and make effective conclusions from their findings.

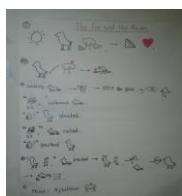

Awesome Aadvarks

As part of our Science focus, we have enjoyed dissecting flowers to see how they become pollinated and fertilised. Each part of the flower was then named and labelled.

Well done to everyone for getting off to a great start with Accelerated Reader. Keep reading!

Marvellous Monkeys

Talk for Writing – Writing a Fable

We have been discussing fables. We have recalled a fable “The Fox and The Raven” and then we have written our own.

Achievements

A huge congratulation to Hannah for completing her Bronze Challenge in swimming and receiving a trophy!!

Clever Cats

Mathematics

Children have been discussing a range of 2D and 3D shapes. To help them reinforce the aspect and visualise shapes we went on a shape hunt around the classroom to identify and draw the shapes we could find.

Achievements

A huge well done to the whole class for winning the attendance award! Keep it up.

Derby City SSP DanceFest 2018

A group of 12 KS2 children who attend the after-school Dance Club were taught a routine by Lauren from Derby County Community Trust, to Wiley’s “Heatwave”. They performed at the Celebration of Dance Festival at the Riverside Centre on Friday 9th March in front of 13 other schools and parents. The children should feel very proud of themselves for learning the routine in such a short time. Well done!

World Book Day

Due to the unexpected snow days we had, Ash Croft has re-arranged World Book Day for **Wednesday 23rd May 2018**. So keep them book costumes in a safe place and we look forward to seeing you all dressed up in your favourite characters or 'word'.

Safeguarding and Internet Safety We would like to keep you all informed of the continued dangers on-line. If you have any concerns or worries, please do not hesitate to Mrs Haddon/Mrs Twigg or myself at school.

Advice for parents - what to do if your child sees something upsetting online

Tips for preventing children from seeing something upsetting, frightening, adult or illegal content online include:

- use parental controls to block content from your child's device
- have open conversations about what your child is doing online.

Tips for parents whose child has seen something upsetting include:

- remain calm and ask questions to understand how the content has appeared;
- don't place blame;
- use resources such as the NSPCC website for support.

Sinfin LIVE at Home

Terrific Tigers  were superb hosts to the Sinfin Live at Home scheme, which is a scheme that helps to support the elderly in our community. We had a lovely group come in and talk to the children. The children discussed their topic work, played cards and games and also had some great questions to ask the elderly. We are very proud of our children who were extremely kind, thoughtful and compassionate towards our guests. Our guests were very grateful and thoroughly enjoyed their time with the children over a cup of tea and cake.

Staff News

We would like to welcome back Mrs Alison Goodlip to Ash Croft she will be joining us as an Intervention Teacher.

School Closure

After the unexpected snow closures, please can I highlight how important it is to have parents/carers most up to date telephone numbers. We were very surprised that we had to close the school for two days. We tried to keep the communication between school and parents as clear as possible by sending out a text, updating the website, Twitter feed and informing BBC Radio Derby. For the most up to date information on the school, please follow us on Twitter - @AshCroftSch and Ash Croft and Cottons Farm - @ACandCF

End of Day Procedures

Thank you to all the parents/carers who have supported the new picking up children procedure and have stood behind the designated white line at the end of the day. We hope you understand that these measures have been put into place to ensure that your child/children are collected safely at the end of the day.

Parent Forum

We look forward to seeing parents/carers/grandparents next term for Parent Forum Thursday 26th April at 9.15.

Thank you for your continued support and I would like to wish you all a safe and happy Easter. We will be back to school on Monday 9th April 2018.
